

If a child can't learn the way we teach, maybe we should teach the way they learn."

September 2010

Welcome back

The Team would like to welcome you all back and hope you had a lovely Summer....well what there was of the Summer weather !

Thank You

We would like to thank you in advance for your patience and understanding while the outside area is being completed.

Tom and his team of merry men have been hard at work over the last 4 weeks and have created an amazing space.

The work should be completed by the 2nd week of term and then we will be able to let the children make the most of their new garden ..

Home/School Sharing Book

We are introducing a home / school sharing book. This is a new initiative which has been requested by parents in the past.

Your child will be given a book . We ask that you complete the inside front cover with your child when the book first comes home.

The book will be used to share some of your child's achievements with you, and we would love to know about some of the successes from home.

On some days your child may draw, write or stick something in the book to share with you what they have done at pre-school.

I would like to stress that these books will not be completed everyday by your key worker, nor do we expect you to complete them everyday.

New Security Gates

In order to keep your children safe the school have installed a new gate security system.

From the beginning of term the gate will be open between:

8.45am—9.15am

12.55pm—1.15pm

2.40pm—3.15pm

If you need to enter the school grounds outside of these times you will need to buzz through and identify yourself before being buzzed in.

The buzzer system will be operational in early October, in the meantime you will need to go to the office and they will let you in.

Can I thank you in advance for supporting the use of this new security system and helping keep the children safe.

Topics

This term our topic will be

All About Me

This is a great topic to enjoy during this first term and we can find out lots about the children and the children will discover lots about themselves .

We will keep you informed on our notice board as to what we are focusing on each week so you can link to the topic at home and share your ideas with us.

Who's Who

Over the page you will find details of the whole Maynard team.

All of the staff will be there to ensure that your child is happy and settled whilst in our nursery but they all have their own areas of expertise.

Please remember. . . .

- ..to name all items of clothes, including hats, scarves and gloves.
- ...to bring in your child's home scrap book or pop some new photos in the one already at pre-school.
- ...to try and leave toys at home or in the car
